

Stephen C. Molodetz
Vice President – Business Development

Mr. Molodetz is the Vice President of Business Development at HQ Energy Services (U.S.), Inc. (HQUS). As Vice President, Steve is responsible for all HQUS energy marketing opportunities in the US energy markets including NY, NE, PJM, and MISO. Steve's main responsibilities include market strategy, structured energy transactions (origination), commercial-regulatory integration, strategic alliances, and market intelligence.

In 1998, Steve joined HQUS as Regional Marketing Director where his main focus was on the New England market. Within 2 years, in January of 2000, Steve was promoted to Vice President of Marketing.

He has over 26 years of diverse experience in the energy industry. He began his career at Niagara Mohawk Power Corporation where he held a variety of positions in the engineering, planning, retail marketing, and power contracts divisions.

From Syracuse University Steve earned a Master of Business Administration. Steve also earned a Bachelor of Science in Electrical Engineering from Clarkson University.

Steve and his wife, Sandy, live in West Hartford, CT with their four children.
