

NYISO Tariff Web Viewer Quick Reference

- Allows viewing the NYISO tariffs, filings, orders and docket
- Filings, orders and docket as of 1/1/2010 are accessible from the Tariff Web Viewer
- Filings and orders prior to 1/1/2010 are accessible from the Legal and Regulatory Page:
http://www.nyiso.com/public/markets_operations/documents/legal_regulatory/index.jsp

TARIFF VIEWER NAVIGATION:

1. **Document Locator:** Contains navigation to the NYISO tariffs, filings, orders and dockets. Expand the “+” to see the documents under each category type.
2. **Document Outline:** The tariff section versions shown in this view are determined by Tariff or Filing navigation chosen in the “Document Locator” area.
3. **Viewing Panel:** Document, Properties and Related Items tabs
 - a. **Document:** Displays on the screen what is selected in the Document Locator or Document Outline areas, i.e., Choosing a filing in the Document Locator area will display a list of the filed documents for view and download or, choosing a tariff section in the Document Outline area will display that tariff section text.
 - b. **Properties:** Displays additional information related to the selection chosen in the Document Locator or Document Outline areas, i.e., choosing a filing will display

the filing narrative, filing date and docket number or, choosing a tariff section will display the tariff title, section title, description, effective date, narrative and version.

- c. **Related Items:** Displays the related items associated with the items that are selected in the Document Locator or Document Outline areas, i.e., choosing a filing will display related orders and docket numbers or, choosing a tariff section will display the filings associated with that tariff section.
4. **Search:** For searching tariffs, filings, orders and dockets. Search will return current, effective tariff language and filing records going back to 1/1/2010. Prior to 1/1/2010, the search on the Legal and Regulatory page should be used:
http://www.nyiso.com/public/markets_operations/documents/legal_regulatory/index.jsp
5. **Document Viewing:** Options for viewing the selected tariff documents chosen in the Document Outline box.
 - a. **Show PDF**
 - b. **Show Word**
 - c. **Document Generation:** Opens up a new page providing additional options for viewing and saving off multiple sections of the NYISO Tariffs.
