

## Special Case Resource Offer Floor Calculation For Buyer-Side Mitigation Exemption and Offer Floor Determinations

### Load Zones G, H, I, and J

**Payments and other benefits from programs described below are included in the Offer Floor calculation:**

- a) Payments that the Special Case Resource receives from the Responsible Interface Party for providing Installed Capacity
- b) All third-party payments or the value of other benefits that are awarded for offering or supplying Installed Capacity that are not provided under programs administered or approved by New York State or a government instrumentality of New York State.

For example, revenues received from NYS PSC-approved utility demand response programs and NYSERDA programs are excluded in the offer floor determination.
