

Business Issues Committee
September 13, 2006 Meeting
Motion - Agenda # 6

Motion:

The Business Issues Committee (BIC) hereby recommends that the Management Committee (MC) approve revisions to the NYISO's Market Services Tariff, as discussed at the Market Structures Working Group meeting on September 6, 2006, and presented to the BIC on September 13, 2006. The proposed tariff modifications would exempt any generator during a prescribed Testing Period from under-generation penalties , and would increase by 500 MW the capacity of Intermittent Power Resources entitled to special market settlement rules and exemptions from persistent under-generation penalties and Operating Reserves bidding obligations.
