PPT Action Items

Updated 10/07/04

(Changes since last meeting in RED)

ID#	Initiated	Action Needed	Assignee	Target Date	Status
46	4/10/03	Integrate the “Project Description”, “Project Status” and “Project Tracking” reports into a single comprehensive report. 7/7 - The software upgrade has been delayed until Q3 due to other higher priority issues in the PM dept. 8/12 - New software was installed in our test environment for initial department testing. 10/7 – Integration and testing continues.	T. Schmehl	Q4 2004	Open
