

# NYISO Management Committee Meeting

August 1, 2005

## Special Conference Call

10:00 a.m. – 11 A.M.

### Draft MINUTES OF THE MEETING

#### 1. Introductions, Meeting Objectives & Chairman's Report

Larry Dewitt of Pace Energy, Chairman, called the meeting to order at 10:07 AM and welcomed the members of the Management Committee ("MC"). The meeting objective is to:

- Act on the proposal regarding the New York State ("NYS") Sales Tax.

#### 2. Proposal Regarding New York State Sales Tax

Robert Fernandez, General Counsel of the NYISO, presented the proposed tariff changes to address the issue of New York State Sales Tax to the members of the MC. Mr. Fernandez stated that the Tax Department has determined that the NYISO is a co-vendor for sales tax purposes and must register with the State. If the NYISO is unable to collect sales tax from its customers, it would be forced to pay the taxes, which would then be recovered from the market through Rate Schedule 1. Unless the NYISO can demonstrate by collecting and producing exemption documents that its sales are not taxable, it would be required to collect and remit sales taxes to the State.

Howard Fromer, of PSEG, asked if the process of collecting the certificate of exemption from MPs begins prior to, or after, the FERC's approval. Mr. Fernandez replied that the NYISO would wait for the FERC's approval and would request that the MP's exemption documents be provided by 12/31/2005.

Glenn Haake of IPPNY requested that the minutes reflect that the State Tax provision will be effective January 1<sup>st</sup>, 2006, assuming timely approval by the FERC.

Mr. Fromer requested that the minutes reflect that this motion supersedes any and all prior Management Committee action on this issue. Mr. Fromer also requested clarification that the tariff reference of non-NYS purchaser refers to states other than New York and any foreign country. Mr. Fernandez confirmed that the term refers to non-NYS or non-United States entities.

#### **Motion #1:**

**Motion to approved was moved by Robert Loughney and seconded by Howard Fromer**

The NYISO Management Committee (MC) approves the proposed revisions to the NYISO Market Services Tariff to address New York State sales tax requirements, as presented to the MC at the August 1st meeting, and requests that the Board authorize a filing to the FERC pursuant to Section 205 of the Federal Power Act.

***(Motion passed unanimously with abstentions)***

**3. Adjourn**

Meeting was adjourned at 10: 28
