

## **BIC - Action Item List**

Dear Business Issues Committee Members,

Please review the attached Business Issues Committee Action Item List.

Items marked “**Pending Closure**” in the Status Field are considered complete by the NYISO and will be closed after this BIC meeting if no comments are received to the contrary.

Items marked “**Complete**” are action items that the BIC agreed could be closed when they were presented at our last meeting. For each BIC meeting, I will provide this report and include the items closed from the previous month for your reference.

Items marked “**Ongoing**” are tasks that are expected to span multiple months.

Please forward any comments to:
