**MOTION TO INTERVENE OF

Pursuant to Rules 212 and 214 of the Commission's Rules of Practice and Procedure, 18 C.F.R. 385.212 and 385.214 (2006), and the PJM Interconnection, L.L.C.'s (PJM) April 22, 2008 filing of two executed agreements for long-term point-to-point transmission service between PJM and Consolidated Edison Company of New York (Con Edison), the New York Independent System Operator, Inc. (NYISO) hereby moves to intervene in the above-captioned proceeding. In support thereof, the NYISO states:

II. Motion to Intervene

The NYISO is the independent body responsible for providing open access transmission service, maintaining reliability and administering competitive wholesale

markets for electricity, capacity, and ancillary services in New York State. Pursuant to its Commission-approved tariffs, the NYISO is also responsible for operating the State's transmission lines and conducting the State's reliability planning and interconnection processes. The agreements filed in this proceeding impact NYISO's responsibilities in two respects. First, the NYISO has a role in the day-to-day implementation of the transmission service that Con Edison and PJM are proposing for May 1, 2012 and thereafter. Second, the proposed service in 2012 and beyond will impact the NYISO's long-term planning process. Accordingly, the NYISO has an interest in the outcome of this proceeding.

III. Conclusion

WHEREFORE, the New York Independent System Operator, Inc. (NYISO) respectfully requests that the Commission grant its motion to intervene in the above-captioned proceeding.

Respectfully submitted,

/s/ Carl F. Patka
