

PRLWG Meeting

August 8, 2005

- **Update on recent EDRP/SCR advisories and activations**
 - 11 Advisories with 1 activation in Zones G – K on 7/27
- **Options for Demand Response participation in Ancillary Services**
 - **Option #1: determine functional requirements to modify RTS (and SCUC) to handle DR in reserves markets**
 - **Option #2: consider developing a “30-minute” SCR-like program**
 - **Option #3: look at pilot projects outside of RTS that would demonstrate DR capability via aggregation programs**
- **Update on SCR issues to be discussed in ICAPWG**
 - **ICAP Baseline Timing**
 - **DG/CHP Direct Meter Option**
 - **Meter Aggregation**
 - **Metering Requirements**
 - **SCR Notifications by RIPs**
- **Update on ConEd Demand Management initiatives**
