

Business Issues Committee

August 24, 2005 Meeting

Motion - Agenda #09

Motion:

The Business Issues Committee (BIC) recommends that the Management Committee approve tariff amendments as presented to the BIC at its August 24, 2005 meeting.

The BIC further recommends that a proposal (s) to address the rights, obligations, and compensation plan for local providers of black start and system restoration services in the rest of state be presented at its October 2005 meeting.
