

Business Issues Committee Meeting

August 24, 2005
NYSNA – Latham, NY

SUMMARY OF MOTIONS

Motion #1:

Motion to approve the minutes of the June 29, 2005 meeting.

(Motion passed unanimously by show of hands)

Motion #2:

Motion to approve the minutes of the July 27, 2005 meeting.

(Motion passed unanimously by show of hands)

Motion #3:

The Business Issues Committee (BIC) hereby approves the NYISO TCC Manual, as reviewed by the MSWG and distributed to the Committee on August 9, 2005.

The BIC further directs the MSWG to continue to review issues raised at the August 15th MSWG meeting regarding the finality of auction round results, and issues raised at this meeting with respect to TCC purchase and sale agreements and auction rules and deliver to BIC recommendations for changes to such rules, agreements, manuals, including attachments, or NYISO tariffs, for consideration and approval by BIC. The goal is that the process should be completed in time for any changes to be implemented for the Spring 2006 TCC auction.

(Motion passed by a majority show of hands with abstentions)

Motion #4a

The Business Issues Committee (BIC) hereby approves revisions to the NYISO Voltage Support Service Program, as recommended by the MSWG at the August 15th meeting, as noted below:

- 1) To move to Net Lagging at the point of interconnection compensation measurement;
- 2) To provide clarification of testing requirements, as presented to the BIC at the August 24th meeting;
- 3) To the extent that a supplier does not have access to data from a net MVar meter, the NYISO will calculate a value based upon a gross MVar reading and an established power flow calculation;
- 4) The 2006 revenue requirement will be based upon the 2001 revenue requirement, updated for new additions and retirements as of October 31, 2005.

In addition, the BIC recommends that the Management Committee act to delete, as presented to the BIC on August 24th, the section from Rate Schedule 2 that requires Voltage Service payments to Non-Utility Generators ("NUGs") operating under existing power purchase agreements to be provided to the entity purchasing the NUG's Energy or Capacity, unless otherwise stipulated by that entity.

(Discussion of proposed Voltage Support Service program revisions tabled - see motion 4b)

Motion #4b:

Motion to table discussion of proposed Voltage Support Service program revisions.

(Motion passed by a majority show of hands with abstentions)

Motion #5

The Business Issues Committee (BIC) recommends that the Management Committee approve a Black Start and Restoration Services compensation plan and testing principles upon which tariff amendments will be based relating to the provision of black start service in load zone J by existing black start providers, as presented to the BIC at its August 24, 2005 meeting.

The BIC further recommends that a proposal (s) to address the rights, obligations, and compensation plan, for the two other existing local providers of black start and system restoration services, shall be presented by the NYISO Staff at its September 2005 BIC meeting for discussion and action.

(Motion passed unanimously by show of hands with abstentions)

Motion 5a

Motion to amend motion 5 to strike second paragraph of motion.

(Motion failed with 37% affirmative votes)

New York Independent System Operator
