

BIC - Action Item List

Dear Business Issues Committee Members,

Please review the attached Business Issues Committee Action Item List.

Items marked “**Pending Closure**” in the Status Field are considered complete by the NYISO and will be closed after this BIC meeting if no comments are received to the contrary.

Items marked “**Complete**” are action items that the BIC agreed could be closed when they were presented at our last meeting. For each BIC meeting, I will provide this report and include the items closed from the previous month for your reference.

Items marked “**Ongoing**” are tasks that are expected to span multiple months.

Please forward any comments to:

▼ TCC historical data distribution

Request for the NYISO to provide historical data and analysis concerning the T.O.s congestion rent shortfall amounts.

Initial Action:

Comments:

Closing Action: Historic Shortfall numbers are confidential to the individual Transmission Owners. The numbers represent settlement data which is commercially sensitive and therefore confidential. Nonetheless, with the permission of the individual transmission owners, the NYISO can release the information. Because of the small number of involved market participants, the NYISO may not be able to release individual Historic Shortfall numbers unless all the affected transmission owners agree to the release.
