# Scenarios for WNY PPTN

- ◆ NYISO presented potential scenarios for the evaluation and selection process at the December 7, 2016 ESPWG/TPAS
- ◆ NYISO solicits further suggestions on scenarios
  - *Scenarios can relate to metrics enumerated in the tariff or other metrics (see OATT Section 31.4.8.1)*
  - *Scenarios can be considered in the selection process*
- ◆ Please submit your suggestions to [PublicPolicyPlanningMailbox@nyiso.com](mailto:PublicPolicyPlanningMailbox@nyiso.com) by February 28, 2017

**The mission of the New York Independent System Operator, in collaboration with its stakeholders, is to serve the public interest and provide benefit to consumers by:**

- *Maintaining and enhancing regional reliability*
- *Operating open, fair and competitive wholesale electricity markets*
- *Planning the power system for the future*
- *Providing factual information to policy makers, stakeholders and investors in the power system*
