

Price Correction modifications –NYISO web locations  
On-going Market Participant's Questions  
August 17, 2006 BAWG Meeting

1. The link for prices is posted:

[http://www.nyiso.com/public/market\\_data/pricing\\_data.jsp](http://www.nyiso.com/public/market_data/pricing_data.jsp)

Dates with corrected prices are displayed with green links. Updates for both missing data and presentation are displayed with an orange link.

2. The Market Participant Correction Report, which provides details of all the corrected prices is posted:

[http://www.nyiso.com/public/market\\_data/reports.jsp](http://www.nyiso.com/public/market_data/reports.jsp)

This report can be found in the Reports section of the page.

3. Finally, there is a monthly correction report which is posted at:

[http://www.nyiso.com/public/services/market\\_monitoring/price\\_corrections.jsp](http://www.nyiso.com/public/services/market_monitoring/price_corrections.jsp)

This report offers details on the causes of the reservations and corrections
