The Mothball Notice can be found on the NYISO’s Planning webpage at: [Mothball Notice](#)
- **Happy Holidays!** We’ve wrapped up another busy, productive year at the NYISO, and the final [Connection](#) of 2015 reflects that. From the new five-year Strategic Plan to our role in managing the PSC’s AC Transmission competitive process, we are demonstrating the power of markets in sustaining reliability. Read also about the new features to our public website, as well as how we participated in a nationwide GridEx III security exercise. In addition, we’re continuing our cost containment efforts with a flat budget for the third consecutive year. We look forward to starting another successful year with each of you – all the best to you and your families this holiday season.
