Electric System Planning Working Group

Study Agreements for Evaluation and Selection of Proposed Transmission Solution

Howard Tarler of the NYISO presented the Study Agreements for the evaluation and selection of transmission projects for solutions to Reliability and Public Policy needs. Each developer who intends to propose a transmission solution to these needs would be required to sign the Study Agreements. Mr. Tarler requested input from stakeholders on the agreements. Comments can be sent to Leigh Bullock at bullock@nyiso.com by close of business on June 20, 2014. An ESPWG meeting has been scheduled on June 30, 2014 for a discussion on stakeholder comments received. To see the forms for:

- Draft – Public Policy Planning Study Agreement

New Business

The chair of the ESPWG, Ademir Nehrozoglu, polled members of the working group to verify whether it was acceptable to schedule a meeting on June 20, from 12:30pm to 3:00pm for the initial presentation of the Draft Reliability Needs Assessment. A majority approved the date and the meeting was scheduled.
