FILED
OFFICE OF THE
SECRETARY
FEB 28 2005

August 6, 2004 order. In making this filing, the parties have agreed not to comment on the positions taken within the two compliance filings on the basis that the stakeholder process is the appropriate forum to address ongoing concerns that individual entities may have regarding the deliverability matter. To the extent that other non-signatory parties file comments on either of the two compliance filings, the NYISO and New York Transmission Owners reserve the right to respond to any such pleadings.

Accordingly, the NYISO and New York Transmission Owners respectfully request that the Commission grant an additional extension of time for compliance⁴ with the Commission's August 6, 2004 Order subject to the schedule set forth below:

Schedule

May 1, 2005	NYISO Informational Filing of Work Plan for Compliance with Commission's August 6, 2004 Order

December 1, 2005	NYISO Quarterly Report to Commission
February 6, 2006	Filing by Joint Filing Parties in Compliance with the Commission's August 6, 2006 Order
