

Business Issues Committee

January 19, 2005 Meeting

Motion – Agenda #2

The Business Issues Committee hereby recommends that the MC approve changes to the Attachment N methodology as described in the presentation made to the BIC at the January 19, 2005 BIC and again at the February 25, 2005 BIC and as also described in the Shortfall Allocation white paper distributed to all members of the Committee February 16, 2005.
