Docket No. EL04-36-000

New York Independent System Operator, Inc.,
Respondent

NOTICE OF EXTENSION OF TIME

(December 31, 2003)

On December 22, 2003, the New York Independent System Operator, Inc. (NYISO) filed a motion for an extension of time to file an answer to the complaint by Consolidated Edison Company of New York, Inc., Consolidated Edison Solutions, Inc., KeySpan Energy Services, Inc., Constellation New-Energy, Strategic Energy, New York Energy Buyers Forum, and Consumer Power Advocates (together, "Complainants") filed December 15, 2003, in the above-docketed proceeding. In its motion, NYISO states that due to the press of the holiday season, additional time is needed to prepare and file its answer to the Complainants' December 15, 2003 pleading. NYISO also states that the Complainants have not sought time-sensitive relief or requested fast-track processing and, therefore, an extension of time will not harm the Complainants.

Upon consideration, notice is hereby given that an extension of time for the filing of answers to the complaint is granted to and including January 23, 2004, as requested by NYISO.
