NOTICE OF EXTENSION OF TIME

(March 22, 2004)

On March 19, 2004, the New York Independent System Operator, Inc. (NYISO) filed a motion for an extension of time to comply with Ordering Paragraph (D) of the Commission's Order Conditionally Accepting Tariff Revisions issued September 22, 2003, in the above-docketed proceeding. The motion states that the NYISO requires additional time to receive input from market participants on its stakeholder process report and to incorporate these comments into the compliance filing required by the September 22 Order.

Upon consideration, notice is hereby given that an extension of time for submitting the compliance filing is granted to and including March 29, 2004, as requested by the NYISO.
