THIS AGREEMENT TO PURCHASE OR SELL UNFORCED CAPACITY (the “Agreement”), dated as of this _____ day of _____, _____, is given by _____, having a principal business address at _____ (referred to hereinafter as “Market Participant,” or “Offeror” or “Bidder”).

RECITALS

WHEREAS, pursuant to the terms of the New York Independent System Operator Market Administration and Control Area Services Tariff (the “ISO Services Tariff”) and the NYISO Installed Capacity Manual (the “ICAP Manual”), the New York Independent System Operator, Inc. (the “NYISO”) will administer (i) six-month Capability Period “Strip” auctions (twice per year) and “Monthly” auctions (12 per year), wherein Offerors may sell and Bidders may purchase Unforced Capacity, and, (ii) “Spot Market” auctions (12 per year), wherein Offerors may sell Unforced Capacity and the NYISO will purchase Unforced Capacity on behalf of Load Serving Entities; and

WHEREAS, a capitalized term used herein without definition shall have the meaning ascribed thereto in the ISO Services Tariff or the Independent System Operator Agreement (the “ISO Agreement”) or the ICAP Manual; and

WHEREAS, because Market Participant may, at various times, be participating in the Strip, Monthly, or Spot Market Auctions as an Offeror seeking to sell or a Bidder seeking to purchase Unforced Capacity, Article 1 of this Agreement shall govern bids to purchase Unforced Capacity (“Bids”) and Article 2 of this Agreement shall govern offers to sell Unforced Capacity (“Offers”); and

WHEREAS, to the extent that Bidder purchases Unforced Capacity under the terms of this Agreement, Bidder satisfies its Unforced Capacity requirements with the Unforced Capacity so purchased; and

WHEREAS, Market Participant, whether acting as a Bidder or Offeror, is a Customer under the ISO Services Tariff and is eligible to participate in a NYISO Installed Capacity (“ICAP”) auction (“Auction”), and intends to submit this Agreement, coupled with submissions of properly formatted Bids or Offers (each an “Electronic Bid” or “Electronic Offer”) (such Bids or Offers together with the Agreement constituting a “Bid Package” or “Offer Package” respectively) to Auctions operated on an automated basis through the submission of Bids and Offers over the Internet (the “[ICAP Automated ICAP Market System](#)”); and

WHEREAS, Market Participant intends that such Bid Package or Offer Package shall constitute a binding Bid or Offer for the purposes of each Auction in which Market Participant submits an Electronic Bid or Offer and that the Bid or Offer Package will be recorded and objectively analyzed pursuant to the ISO Services Tariff and the ICAP Manual, which materials have been reviewed by Market Participant; and

WHEREAS, any prior Agreement to Purchase Unforced Capacity in NYISO Installed Capacity Auctions or Agreement to Sell Unforced Capacity in NYISO Installed Capacity Auctions executed by Market Participant and the NYISO shall remain in full force and effect until the implementation of the ICAP Automated ~~ICAP~~-Market System, at which time such prior agreement shall be superseded by this Agreement, and thereafter this Agreement shall govern Market Participant's ICAP market participation; and

NOW, THEREFORE, in consideration of the NYISO's including Market Participant's Electronic Bids and Electronic Offers in the Auctions, which Market Participant acknowledges and agrees is adequate consideration for its obligations hereunder, Market Participant and the NYISO (together the "Parties") hereby agree to the following:

1. Purchases of Unforced Capacity

A. Bids to Purchase Unforced Capacity.

- (1) Auctions shall be conducted in accordance with the ISO Services Tariff and the ICAP Manual.
- (2) Each Electronic Bid submitted is valid for only one Auction. An Electronic Bid must be submitted for each Auction in which Bidder desires to participate.
- (3) Bidder offers to purchase Unforced Capacity in the amounts, for the monthly effective periods, in the locations and for the maximum price (or less) listed in Bidder's Electronic Bids (each individual bid listed in Bidder's Electronic Bid being referred to as an "Individual Bid"), and requests that the NYISO include the Individual Bids in the Auction for which they are submitted.
- (4) The purchase price for the Unforced Capacity offered in each Individual Bid in an Auction shall be the Market Clearing Price established in that Auction as determined by the NYISO.
- (5) Bidder's submission of a completed Bid Package represents a binding obligation of Bidder to purchase and pay for the amount of Unforced Capacity designated by the NYISO in the Award Notice (as defined below) pursuant to the terms of the ISO Services Tariff and the ICAP Manual.

- (6) The submission of a Bid Package does not obligate the NYISO to accept the Bid Package, in whole or in part, nor does the submission of a Bid Package grant any right to Bidder to purchase any Unforced Capacity.
- (7) The Market Clearing Price for Unforced Capacity can be positive or zero.
- (8) Any of the Individual Bids contained in Bidder's Electronic Bids, or an entire Electronic Bid, may be amended by Bidder at any time during the period specified for the submission of Electronic Bids (the "Bidding Period") by submitting an amended Individual Bid or a new entire Electronic Bid, any of which subsequent Bids must be received in accordance with this Agreement, the ISO Services Tariff and the ICAP Manual. If such an amended Individual Bid or new Electronic Bid is timely and correctly submitted by Bidder as provided herein, the most recently received Individual Bid or Electronic Bid, as indicated by the date and time of submission reported in the [ICAP Automated ~~ICAP~~ Market System](#), shall supersede any previous version of the Individual Bid or Electronic Bid being changed, and any superceded Individual Bid or Electronic Bid shall have no further force or effect. A newly uploaded Electronic Bid must include all Individual Bids that Bidder intends to be in effect, including any previously submitted Individual Bids that are not being amended.
- (9) To complete a Bid Package, Bidder must submit, in addition to this Agreement, a properly formatted Electronic Bid to the [ICAP Automated ~~ICAP~~ Market System](#) prior to the close of the Bidding Period in each Auction in which Bidder wishes to participate. The Parties further agree that all Electronic Bids must be submitted in the format, and include all the information, required by the [ICAP Automated ~~ICAP~~ Market System](#), the ISO Services Tariff and the ICAP Manual, and that the time of submission for all Electronic Bids shall be determined by the [ICAP Automated ~~ICAP~~ Market System](#).
- (10) Timely submission of a Bid Package does not guarantee that the Bid Package is valid for inclusion in an Auction. This Agreement is a component of a complete Bid Package, and if not completed in conformity with the ISO Services Tariff and the ICAP Manual and the terms and conditions of the form of this Agreement included in the ICAP Manual as Attachment F thereto shall, in the NYISO's sole determination, be invalid and may be rejected. Signature by the NYISO in the place provided below shall signify its acceptance of this Agreement. Whether the Electronic Bid component of a Bid Package is sufficient in format and content shall be assessed by the [ICAP Automated ~~ICAP~~ Market System](#), which may reject any incomplete or insufficient Electronic Bid.
- (11) In the event that the NYISO rejects a form of this Agreement tendered as a component of a Bidder's Bid Package, it shall notify Bidder as soon as

reasonably possible via email. If a Bidder's Agreement is rejected, Bidder shall have the right to submit a replacement Agreement ~~at any time until the close of the time period for submitting Agreements prior to any Auction, as provided for in Section 6(1) below.~~ Rejected Electronic Bids may be resubmitted at any time during the Bidding Period for an Auction until the close of that Bidding Period.

- (12) Bidder bears the sole responsibility for submitting a correct and complete Bid Package.
- (13) Bidder shall not assign any of its rights or obligations under a Bid Package unless the assignee of such rights and obligations makes the representations and warranties in Section 5 applicable to bidders and is otherwise eligible to participate in the Auction or Auctions to which the Bid Package is applicable.

B. Payment Procedures for the Purchase of Unforced Capacity.

- (1) Bidder's obligation to purchase and pay for Unforced Capacity shall become effective upon the posting following each Auction in the ICAP Automated ~~ICAP~~-Market System of awards of Unforced Capacity from the Auction results (the "Award Notice"). The Award Notice shall specify the amount of Unforced Capacity, if any, that Bidder shall be required to purchase (the "Awarded Unforced Capacity"), the Market Clearing Price of such Awarded Unforced Capacity, the location of such Awarded Unforced Capacity, and the Total Purchase Price, as defined in this Section 1B(1). The Total Purchase Price shall equal the sum of the products of the amount of Awarded Unforced Capacity and the Market Clearing Price for such capacity.
- (2) Amounts due on Unforced Capacity purchased in a Strip Auction shall be settled on a monthly basis. In each monthly billing, the NYISO shall issue bills for one sixth of the Total Purchase Price specified in the Award Notice for the last Capability Period Auction. Bills issued by the NYISO for the purchase of Unforced Capacity shall be net of any rebates due to Bidder.
- (3) Amounts due on Unforced Capacity purchased in Monthly and Spot Market Auctions shall be settled on a monthly basis. In each monthly billing, the NYISO shall issue bills for the Total Purchase Price specified in the Award Notice for the last Auction. Bills issued by the NYISO for the purchase of Unforced Capacity shall be net of any rebates due to Bidder.
- (4) By 10:00 AM on the first banking day after the fifteenth day of the month after the month for which Unforced Capacity was purchased in any Auction, Bidder shall cause funds to be wired according to instructions in

the monthly billing invoice in an amount equal to the cumulative Total Purchase Price from all such Auctions as indicated in the monthly billing invoice issued by the NYISO.

- (5) To the extent that Bidder disputes the calculation of the Total Purchase Price due and payable, Bidder shall remain obligated to make payment in full for the Unforced Capacity indicated in the Award Notice. If it is later determined in accordance with this Agreement that an overpayment has been made by Bidder to the NYISO, then the NYISO shall refund the amount overpaid to Bidder. If it is later determined in accordance with this Agreement that an underpayment has been made by Bidder, then Bidder shall pay the amount owed to the NYISO. Payments made pursuant to this Section 1B(5) shall also include interest calculated from the date that the overpayment or underpayment was made, in accordance with the methodology specified for interest on refunds in the Federal Energy Regulatory Commission (“FERC”) regulations at 18 C.F.R. § 35.19a(a)(2)(iii).
- (6) If the NYISO determines that a mistake has been made in the information provided in an Award Notice after its delivery, the NYISO reserves the right and has the obligation to revise the Award Notice and the information therein, and Bidder acknowledges that it shall be obligated to pay or receive payment for Unforced Capacity in accordance with the revised Award Notice. Prior to making such revision, the NYISO shall notify Bidder of the mistake and provide Bidder with an explanation of the basis for the revised Award Notice.

2. Sales of Unforced Capacity

A. Offers to Sell Unforced Capacity.

- (1) Auctions shall be conducted in accordance with the ISO Services Tariff and the ICAP Manual.
- (2) Each Electronic Offer submitted is valid for only one Auction. An Electronic Offer must be submitted for each Auction in which Offeror desires to participate.
- (3) Offeror offers to sell Unforced Capacity in the amounts, for at least the minimum prices, and from the resources specified in Offeror’s Electronic Offers (each individual offer listed in an Offeror’s Electronic Offer being referred to as an “Individual Offer”), and requests that the NYISO submit the Individual Offers in the Auction for which they are submitted.
- (4) The sale price for Unforced Capacity offered in each Individual Offer in an Auction shall be the Market Clearing Price established in that Auction as determined by the NYISO; provided, however, that if the Unforced

Capacity is from a Subject Generator (as defined in Attachment I of the ICAP Manual) then the sale price for the Unforced Capacity indicated in such Individual Offer shall be calculated pursuant to the ICAP Manual.

- (5) Offeror's submission of a completed Offer Package represents a binding obligation of Offeror to sell the amount of Unforced Capacity referenced in an Electronic Offer.
- (6) The submission of an Offer Package does not obligate the NYISO to accept the Offer Package, in whole or in part, nor does the submission of an Offer Package grant any right to Offeror to sell any Unforced Capacity.
- (7) The Market Clearing Price for Unforced Capacity can be positive or zero.
- (8) Any of the Individual Offers contained in Offeror's Electronic Offers, or an entire Electronic Offer, may be amended by Offeror at any time during the period specified for the submission of Electronic Offers (the "Offering Period") by submitting an amended Individual Offer or a new entire Electronic Offer, any of which subsequent offers must be received in accordance with this Agreement, the ISO Services Tariff and the ICAP Manual. If such an amended Individual Offer or new Electronic Offer is timely and correctly submitted by Offeror as provided herein, the most recently received Individual Offer or Electronic Offer, as indicated by the date and time of submission reported in the [ICAP Automated ICAP Market System](#), shall supersede any previous version of the Individual Offer or Electronic Offer being changed, and any such superceded Individual Offer or Electronic Offer shall have no further force or effect. A newly uploaded Electronic Bid must include all Individual Offers that Offeror intends to be in effect, including any previously submitted Individual Offers that are not being amended.
- (9) To complete an Offer Package, Offeror must submit, in addition to this Agreement, a properly formatted Electronic Offer to the [ICAP Automated ICAP-Market System](#) prior to close of the Offering Period in each Auction in which Offeror wishes to participate. The Parties further agree that all Electronic Offers must be submitted in the format, and include all the information, required by the [ICAP Automated ICAP-Market System](#), the ISO Services Tariff and the ICAP Manual, and that the time of submission for all Electronic Offers shall be determined by the [ICAP Automated ICAP-Market System](#).
- (10) Timely submission of an Offer Package does not guarantee that the Offer Package is valid for inclusion in an Auction. This Agreement is a component of an Offer Package, and if not completed in conformity with the ISO Services Tariff and the ICAP Manual and the terms and conditions of the form of this Agreement included in the ICAP Manual as Attachment F thereto shall, in the NYISO's sole determination, be invalid

and may be rejected. Signature by the NYISO in the place provided below shall signify its acceptance of this Agreement. Whether the Electronic Offer component of an Offer Package is sufficient in format and content shall be assessed by the [ICAP](#) Automated ~~ICAP~~ Market System, which may reject any incomplete or insufficient Electronic Offer.

- (11) In the event that the NYISO rejects a form of this Agreement tendered as a component of an Offeror's Offer Package, it shall notify Offeror as soon as reasonably possible via email and Offeror shall have the right to submit a replacement Agreement ~~until the close of the time period for submitting Agreements prior to any Auction, as provided for in Section 6(1) below.~~ Rejected Electronic Offers may be resubmitted at any time during the Offering Period for an Auction until the close of that Offering Period.
- (12) The Parties agree that Offeror bears the sole responsibility for submitting a correct and complete Offer Package.

B. Payment Procedures for Sales of Unforced Capacity

- (1) Offeror's obligation to sell Unforced Capacity shall become effective upon the posting following each Auction in the [ICAP](#) Automated ~~ICAP~~ Market System of awards of Unforced Capacity from the Auction results (the "Award Notice"). The Award Notice shall specify the amount of Unforced Capacity that Offeror has sold in the Auction ("Sold Capacity"), the Market Clearing Price of such Unforced Capacity, the location of the resource and the Total Selling Price, as defined in this Section 2B(1). The Total Selling Price shall equal the sum of the products of the amounts of Sold Capacity and the Market Clearing Price applicable to each Individual Offer for such Sold Capacity, except, if any Individual Offer to be included in such calculation includes Unforced Capacity from a Subject Generator (as defined in the Attachment I of the ICAP Manual), then the individual sales price for any such Individual Offer that must be included in the calculation of Total Selling Price shall be calculated pursuant to the ICAP Manual.
- (2) Amounts owed on Unforced Capacity sold in a Strip Auction shall be settled on a monthly basis. In each monthly payment, the NYISO shall pay one sixth of the Total Selling Price specified for an Offeror in the Award Notice for the last Capability Period Auction, and continue such payments each month thereafter until the total award value is satisfied.
- (3) Unforced Capacity sold in Monthly and Spot Market Auctions shall be settled on a monthly basis. In each monthly billing, the NYISO shall issue bills for the Total Selling Price specified in the Award Notice for the last Auction.

- (4) By 10:00 AM on the first banking day after the 20th day of the month after the month for which Unforced Capacity was sold in any Auction, the NYISO shall cause funds to be wired to the accounts specified by Offeror in an amount equal to the cumulative Total Selling Price from all such Auctions, as indicated in the monthly billing invoice issued by the NYISO.
- (5) Within six (6) business days after the day on which Offeror's Award Notice is posted on the [ICAP](#) Automated ~~ICAP~~ Market System, Offeror shall give wiring instructions to the NYISO, designating the account(s) to which funds generated from the Auction shall be transferred by the NYISO pursuant to the ICAP Manual.
- (6) To the extent that Offeror disputes the calculation of the Total Selling Price due and payable, NYISO shall remain obligated to make payment in full for the Unforced Capacity as indicated in the Award Notice. If it is later determined in accordance with this Agreement that an underpayment has been made by the NYISO to Offeror, then the NYISO shall pay the amount owed to Offeror. If it is later determined in accordance with this Agreement that an overpayment has been made by the NYISO to Offeror, then Offeror shall refund the amount of the overpayment to the NYISO. Payments made pursuant to this Section 2B(6) shall also include interest calculated from the date that the underpayment or overpayment was made, in accordance with the methodology specified for interest on refunds in the FERC regulations at 18 C.F.R. § 35.19a(a)(2)(iii).
- (7) If the NYISO determines that a mistake has been made in the information provided in an Award Notice after its delivery, the NYISO reserves the right and has the obligation to revise the Award Notice and the information therein, and Offeror acknowledges that it shall be obligated to pay or receive payment for Unforced Capacity in accordance with the revised Award Notice. Prior to making such revision, the NYISO shall notify Offeror of the mistake and provide Offeror with an explanation of the basis for the revised Award Notice.

3. **Dispute Resolution**

- (1) Within six (6) business days after the day on which Market Participant's Award Notice is posted on the [ICAP](#) Automated ~~ICAP~~ Market System, to the extent that Market Participant disputes the calculation of the Total Purchase Price or the Total Selling Price, Market Participant shall give written notice by email or electronic facsimile transmission to the NYISO, setting forth in reasonable detail the basis for any such disagreement ("Dispute").  - (b) Within five (5) business days of receipt of such list from the Director, Market Participant and the NYISO, separately, shall select three (3) arbitrators from the Director's list and resubmit their selections to the Director.
 - (c) Within two (2) business days of the Director's receipt of the resubmitted lists of arbitrators from Market Participant and the NYISO, the Director shall select in its sole discretion one arbitrator (the "Arbitrator") from the common name or names on the resubmitted lists to resolve the Dispute in accordance with the terms and conditions of this Agreement and the ICAP Manual. The decision and resolution of the Arbitrator shall be rendered within twenty (20) business days after referral of the Dispute to the Arbitrator and shall be final and binding upon the parties. During this twenty (20) business day period, Market Participant and the NYISO shall be afforded an opportunity to make written and oral presentations to the Arbitrator. Market Participant and the NYISO shall use their best efforts to enable the Arbitrator to render a decision within the twenty (20) business day period described above, and each shall cooperate with the Arbitrator and provide the Arbitrator with access to the books, records and representatives of each as the Arbitrator may require in order to render its determination.
