Dear Expedited Deliverability Study 2020-01 Members:

This notice is served as the “Notice of Initial Decision Period to Expedited Deliverability Study 2020-01 Members.”

The Expedited Deliverability Study 2020-01 (EDS 2020-01) formally commenced on March 20, 2020. On June 25, 2020, the NYISO Operating Committee approved the EDS 2020-01 study results.<sup>1</sup>

In accordance with Section 25.5.9.2.4 of Attachment S to the NYISO OATT, each project for which to which this notice issued must respond to the NYISO in writing and via electronic email to [InterconnectionSupport@nyiso.com](mailto:InterconnectionSupport@nyiso.com) within five (5) Business Days – **on or before July 2, 2020** – following the NYISO Operating Committee approval of the EDS 2020-01 study to indicate whether it shall accept (an “Expedited Deliverability Study Acceptance Notice”) or not accept (an “Expedited Deliverability Study Non-Acceptance Notice”) the Deliverable MW, if any, reported to it by the NYISO in the Expedited Deliverability Study report.

Failure to notify the NYISO by **July 2, 2020** by a Developer as to whether it accepts or rejects its Deliverable MW, if any, will be deemed an Expedited Deliverability Study Non-Acceptance Notice.

<sup>1</sup> The report is available on the NYISO website at [www.nyiso.com](http://www.nyiso.com), under 2020 Operating Committee meeting materials.

If you have any questions, please call Think Nguyen at (518) 356-6025 or send an e-mail to [InterconnectionSupport@nyiso.com](mailto:InterconnectionSupport@nyiso.com).
