Dear Expedited Deliverability Study 2025-01 Members:

This notice is served as the “Notice of Initial Decision Period to Expedited Deliverability Study 2025-01 Members.”

The Expedited Deliverability Study 2025-01 (EDS 2025-01) commenced on March 10, 2025. On November 3, 2025, the NYISO Operating Committee approved the EDS 2025-01 study results.²

In accordance with Section 40.19.6 of Attachment HH to the NYISO OATT, each project to which this notice is issued must respond to the NYISO in writing and via electronic email to InterconnectionSupport@nyiso.com within five (5) Business Days – **on or before November 10, 2025** – following the NYISO Operating Committee approval of the EDS 2025-01 study to indicate whether it shall accept (an “Expedited Deliverability Study Acceptance Notice”) or not accept (an “Expedited Deliverability Study Non-Acceptance Notice”) the Deliverable MW, if any, reported to it by the NYISO in the Expedited Deliverability Study report. A project with no Deliverable MW need not provide a notice.

Failure to notify the NYISO by **November 10, 2025** by an Interconnection Customer as to whether it accepts or rejects its Deliverable MW, if any, will be deemed an Expedited Deliverability Study Non-Acceptance Notice.

If you have any questions, please send an e-mail to InterconnectionSupport@nyiso.com.
