Dear Ms. Thornton:

The Commission staff is requesting additional information in order to further evaluate the compliance filings received in the above-referenced dockets. Therefore, please provide the additional information requested below.

For the period of September 30, 2001 to present, the available data reflecting the number of hours in which the incremental bid production costs guarantee costs were allocated to Long Island due to such costs exceeding the thresholds set forth in the tariff.

Your response to this data request should be filed with the Commission no later than June 18, 2002. If you have any questions please call Mr. John McPherson at 202-208-0418, or Mr. Daniel J. Nowak at 202-208-0607.

Your response must be filed with the Secretary of the Commission and served on all parties to this proceeding pursuant to Rule 2010. Please provide a courtesy copy to Mr. John McPherson, room number 7K-06. In addition to service specified by Rule 2010 of the Commission's regulations, service of your response may also be made by electronic mail or by any means acceptable to the parties.

Sincerely,

Alice M. Fernandez, Director
Division of Tariffs and Rates-East
