

NYISO MANAGEMENT COMMITTEE MINUTES

February 29, 2008
10:00 a.m. – 11:00 p.m.
Teleconference Meeting

1. Chair Welcome (Note: Vice Chair, Mr Palazzo, sitting in for Chair, Mr Kinney)
2. Board Selection Sub-committee (BSSC) has preliminarily selected three (3) candidates for the open NYISO Board of Directors seat and will make a formal recommendation of these candidates at the 3/5/08 MC meeting.
3. Proposed revisions to the Market Mitigation Measures (Attachment H to the Market Services Tariff).

Questions/Comments

- Mr Picardi made an inquiry regarding voting on the hours or the intervals as described on 470 B in the proposed section 3.1.4 a2. New language includes the sentence “hours or intervals to be determined.”

Per Ms Bouchez, the proposal on the table is to be approved with the language as-is, and for the NYISO to determine which is more advantageous, i.e., hours versus intervals.

Mr Picardi formally moved the motion.

Mr Palazzo seconded the motion.

The motion passed unanimously.

4. Adjournment.

NYISO Management Committee Meeting

February 29, 2008

Teleconference

MOTION FROM THE MEETING

Motion #1:

The Management Committee (MC) hereby recommends that the Board of Directors approve revisions to the NYISO's Market Services Tariff and OATT that were approved by the Business Issues Committee (BIC) on February 20, 2008.

The NYISO proposes to:

1. clarify the definition of, and method that the NYISO uses to calculate "Constrained Hours" in Section 3.1.2(b)(1) of Attachment H to the Market Services Tariff (the "Market Mitigation Measures" or "MMM");
2. correct a typographical error in Section 3.1.4(a) of the MMM;
3. modify the method used to determine Bid-based reference levels in Section 3.1.4(a)(1) of the MMM by specifying the hours of the day that the NYISO uses/will use to develop Bid-based reference levels, and by specifying when the NYISO will exclude certain Bids from its development of Bid-based reference levels;
4. modify the method used to determine LBMP-based reference levels in Section 3.1.4(a)(2) of the MMM by removing the words "for similar hours or load levels" and specifying when the NYISO will exclude certain LBMPs from its development of LBMP-based reference levels; and
5. update the definition of "Out-of-Merit Generation," in both the OATT and Market Services Tariff to more clearly reflect its common meaning/usage.

Motion passed unanimously.
