

NYISO Management Committee Meeting

December 20, 2006

NYSNA

MOTIONS FROM THE MEETING

Motion #1:

Motion to approve the Minutes of the November 6, 2006 and November 29, 2006 Management Committee meetings.

Motion approved unanimously by show of hands.

Motion #2:

The Management Committee (MC) hereby approves Revisions to the NYISO's Market Services Tariff and OATT that are necessary to implement the Cedars/Dennison transmission facility as a scheduled line. The Tariff revisions that the MC approves here today modify certain Tariff revisions that were approved by the MC on November 29, 2006. The Tariff revisions presented to the MC are consistent with the information/descriptions provided to the Market Structures Working Group on December 14, 2006 and the discussion at that meeting.

The MC is approving these changes without requiring review by the Business Issues Committee because the proposed changes are not controversial and are necessary for the timely implementation of new Scheduled Lines.

The MC hereby recommends to the NYISO Board of Directors that the NYISO file the proposed tariff modifications pursuant to Section 205 of the Federal Power Act.

Motion approved unanimously by show of hands.

Motion #3:

The Management Committee (MC) hereby approves proposed Tariff changes to Attachment X of the OATT pertaining to tendering Facilities Study Agreements and Facilities Study Cost Allocation, as approved by the Operating Committee on December 7, 2006, and as presented to the MC on December 20, 2006.

The MC hereby recommends to the NYISO Board of Directors that the NYISO file the proposed tariff modifications pursuant to Section 205 of the Federal Power Act.

Motion approved unanimously by show of hands with abstentions.

Motion #4:

WHEREAS, The Budget, Standards and Performance Subcommittee (BS&P) and the Project Priority Team (PPT) have overlapping interrelated interests and issues (i.e., the budget impacts project priorities, and project priorities impact the budget), and have had several joint meetings;

WHEREAS, Addressing interrelated interests and issues in combined forums can improve overall: (a) participation by Market Participants; (b) efficiency in the use of both NYISO Staff and Market Participant resources; (c) effectiveness in the outcomes produced; and (d) communication;

The NYISO Management Committee (MC) hereby moves as follows:

- 1) The BS&P and PPT will be consolidated into one group to be known as the “Budget and Priority Working Group” (BPWG) of the MC subject to the stipulations of the MC By-Laws. The BPWG will assume all of the assigned duties, interests and issues of both the BS&P and the PPT.
- 2) The BPWG which shall be open to all market participants, will initially be chaired by the incoming Chair of the BS&P; subsequent Chairs (and Vice-Chairs if the BS&P desires a Vice-Chair) will be selected by the BPWG on a consensus basis. If the BPWG is unable to select a Chair, then such Chair shall be selected by the MC Chair.
- 3) The NYISO will consolidate the past meeting materials for both the BS&P and PPT under a new BPWG web-site location. The NYISO will also include a distinctive notice under the both the BS&P and PPT web locations that the past meeting material has been consolidated into the BPWG web location.
- 4) The MC, with collaboration from NYISO Staff, will also seek to determine if other groups reporting to the MC should be consolidated and/or discontinued to the extent that participation, effectiveness, efficiency and communication can be further improved.
- 5) The MC encourages the BIC and OC, in collaboration with the NYISO Staff, to consider consolidation and/or discontinuation of their respective subcommittees, task forces and/or working groups to the extent that participation, effectiveness, efficiency and communication can be improved.

Motion approved unanimously by show of hands.
