  - http://www.nyiso.com/public/markets_operations/market_data/market_access_login/index.jsp

Deployment and Support

- DRIS is scheduled to be deployed on Thursday, January 19, after 5pm with other NYISO application deployments

- After the January Deployment, the NYISO will no longer:

  - *Accept resource responses to Events or Tests through email; all resource responses to Events or Tests must be imported through DRIS*

- Please continue to contact Customer Relations (518-356-6060) for all DRIS questions

  - *Customer Relations will continue to route to the appropriate DRIS team or Auxiliary Market Operations contact for resolution*

The New York Independent System Operator (NYISO) is a not-for-profit corporation that began operations in 1999. The NYISO operates New York's bulk electricity grid, administers the state's wholesale electricity markets, and provides comprehensive reliability planning for the state's bulk electricity system.
