

New York Independent System Operator
A583 – Web-Based Reconciliation
Market Participant Testing Phase Registration

Please direct any questions about the registration process and fax your registration information to:

Richard Brophy, Customer Relations
Telephone: 518-356-6267
Facsimile: 518-356-6146

All administrators and users must have a valid digital certificate installed on their respective computers in order to access the NYISO Market Information System (MIS). The digital certificate provides for a secure connection between the NYISO's computer system and the Market Participant's computer system.

Please refer to the application and installation process detailed in Technical Bulletin #1, which can be found on our web site at:
