

## NYISO Management Committee Meeting

September 1, 2004

Albany, NY

### **MOTIONS FROM THE MEETING**

#### **Motion #1:**

Motion to approve the Minutes from the August 3, 2004 MC meeting.

***(Motion passed unanimously by show of hands)***

#### **Motion #2:**

Having received a recommendation on the benefits of using 2004 under runs to pay down NYISO debt; the Management Committee hereby amends part f. of Motion # 2, approved November 3, 2003, to read (deleted words are ~~stricken~~, added words are underlined):

If a budget under run occurs after taking into account blackout costs, the under run should be reserved for paying down the principal of the ~~2004~~ NYISO's debt. This policy should apply for the five-year duration of the 2004 financing.

***(Motion passed unanimously by show of hands)***

#### **Motion #3:**

The Management Committee (MC) approves the proposed Virtual Regional Dispatch (VRD) Pilot Program, as presented to the Business Issues Committee (BIC) on August 18, 2004 and the MC on September 1, 2004, and recommends to the Board of Directors that the NYISO should be authorized to submit the applicable Tariff modifications to the FERC, pursuant to Section 205 of the Federal Power Act.

As condition of this approval, NYISO staff, in conjunction with ISO-NE staff and Market Participants, will engage in development discussions to bring Market Participant based solution(s) to this issue to the forefront as primary potential solution path(s), for discussion and action by BIC (and the MC as appropriate) at a future date.

As further condition of this approval, NYISO staff and all parties acknowledge that the votes registered on this motion are not deemed to be support for, or lack thereof, for any further development of any intra-hour transaction solution.

***(Motion passed by majority show of hands with abstentions)***
