

Business Issues Committee

April 7, 2010

Final Motions

Motion #1:

Motion to approve the Minutes of the February 3, 2010 meeting.

Motion passed unanimously.

Motion #2:

The Business Issues Committee (BIC) hereby recommends that the Management Committee recommend to the NYISO's Board of Directors the submission of revisions to (i) the definition of a "Start-Up Bid" in the Market Services Tariff and OATT, (ii) the rules for calculating a Bid Production Cost guarantee in Attachment C to the Market Services Tariff, and (iii) the rules for calculating Generator reference levels in Attachment H to the Market Services Tariff, consistent with the changes described in the power point presentation given to the BIC on this day.

The proposed Tariff revisions modify certain settlement rules and the rules for calculating Generator reference levels to permit Generators to reflect expected costs of operating on the day following the Dispatch Day in which the Generator is committed (to satisfy minimum run time) in the Generator's Start-Up Bid.

Motion passed unanimously with abstentions.
