

Business Issues Committee

October 15, 2014 Meeting

Final Motions

Motion #1:

Motion to approve the Minutes of the September 10, 2014 BIC meeting.

Motion passed unanimously.

Motion #2:

The Business Issues Committee (BIC) hereby approves revisions to the Installed Capacity Manual as presented at the October 15, 2014 BIC Meeting.

Motion passed unanimously.

Motion #3:

Whereas the Business Issues Committee (BIC) at its July 16, 2014 meeting approved revisions to Attachment K of the Market Services and Control Area Tariff (Services Tariff) to include Projected True-Up Exposure credit requirement; and Whereas subsequent to the July 30, 2014 Management Committee meeting at which those revisions were also approved the NYISO determined a need for a clarification to the Services Tariff language.

Therefore the BIC recommends the MC approve the incremental clarifications to the Services Tariff as conceptually presented and discussed at the October 15, 2014 BIC.

Motion passed unanimously with an abstention.

Motion #4a:

Motion to table motion #4.

Motion passed with 100% affirmative votes.

Motion #4:

The Business Issues Committee ("BIC") hereby recommends that the Management Committee approve changes to the NYISO's ICAP Market Power Mitigation Measures (Services Tariff Section 23.2 and 23.4, Attachment H) and related provisions in Services Tariff Sections 2.21 (definition of UDR) and 30 (Attachment O), and Open Access Transmission Tariff Section 12.4 (Attachment F), regarding increased CRIS as presented at the BIC on October 15, 2014.
