Market Issues Working Group

July 10, 2017, Rensselaer, NY

Agenda

- Overview of the Accepted Revisions process
- Review updates to Section 18.1.1 (Table 1A) of Attachment L of the Open Access Transmission Tariff (OATT) to incorporate an Accepted Revision

Overview

- Accepted Revisions process is set forth in Section 17.9.3 of Attachment K of the OATT
 - Intended to ensure the ongoing accuracy of the information set forth in Table 1A
- The periodicity for incorporating Accepted Revisions into Table was revised from a biannual process to an annual process in 2015
 - Annual period runs from June 1st through May 31st of the following year
 - Period selected to align with effective date of process change approved by FERC
- No Accepted Revisions were received between June 1, 2015 and May 31, 2016;
 therefore, no revisions were proposed to Table 1A in 2016
- One Accepted Revision was received between June 1, 2016 and May 31, 2017

Accepted Revision to Contract # 218

- Contract expiration/termination date revised from "11/1/2016" to "1/31/2020"
 - Effective July 23, 2016
 - Requested by NYPA to correct the termination date listed in Table 1A
