that had been accepted by the Commission and then suspended for five months. The NYISO inadvertently included a portion of that language, and makes this filing to correct that error.

Statement of the Reasons for the Rate Schedule Change

Please see “Brief Description of the Rate Schedule Change.”

No Costs Relating to Discriminatory Employment Practices

The NYISO has no expenses or costs that have been alleged or judged to be illegal, duplicate, or unnecessary costs that are demonstrably the product of discriminatory employment practices.
