Attention: Andrew S. Antinori, Senior Counsel

Reference: Tariff Revisions

Dear Mr. Antinori:

On March 5, 2009, New York Independent System Operator, Inc. (NYISO) filed revised tariff sheets to conform its Market Administration and Control Area Services Tariff to the NYISO's practice in developing the statewide load forecast for the determination of day-ahead schedules. Specifically, NYISO proposes to revise its tariff to remove the requirement that NYISO consider load forecasts submitted by Load Serving Entities (LSEs) in its development of a statewide load forecast. NYISO states that in 2000, it and its market participants agreed to use only NYISO's load forecasts and not the individual LSE's forecasts, agreeing that this would be more accurate. NYISO states that it inadvertently did not modified its tariff to reflect this change. NYISO's revised tariff sheets are accepted for filing, effective May 4, 2009 as proposed.

Public notice of NYISO's filing was issued on March 11, 2009, with Interventions and protests due on or before March 26, 2009. Pursuant to Rule 214 of the Commission's Rules of Practice and Procedure, 18 C.F.R. § 385.214 (2008), all timely filed motions to intervene and any motions to intervene out-of-time filed before the issuance date of this order are granted. No protests or adverse comments were filed.

This acceptance for filing shall not be construed as constituting approval of any rate, charge, classification, or any rule, regulation, or practice affecting such rate or service provided for in the filed documents; nor shall such action be deemed as recognition of any claimed contractual right or obligation affecting or relating to such service or rate; and such acceptance is without prejudice to any findings or orders which

have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against your company.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Larry Gasteiger, Director
