

2002 EDRP Impact on Reserves

- **Based upon total operating reserves, actual EDRP response for 4/17 and 4/18, and estimated response for 7/30 and 8/14**
- **EDRP load added back to determine “what-if” reserves**
- **Reserve requirement minus “what-if” reserves gives theoretical EDRP needed**
- **EDRP needed in 135 out of 268 SCD intervals**
