

## ***Business Issues Committee***

February 18, 2004 Meeting

Motion - Agenda #08

---

### Motion:

The Business Issues Committee (BIC), having reviewed the proposal for an interim solution to permit scheduling by parties other than the Long Island Power Authority over the Cross Sound Cable (CSC), as presented at the Scheduling and Pricing Working Group meeting on February 10, 2004 and at the February 18, 2004 BIC, hereby recommends that the Management Committee approve tariff amendments related to the implementation of the CSC interim solution, as presented to the BIC.
