

***Business Issues Committee***

November 8, 2006 Meeting

Motion - Agenda 09

---

Motion:

The Business Issues Committee (BIC) hereby approves Revisions to the NYISO's Market Services Tariff and OATT that are necessary to implement the Cedars/Dennison and Neptune transmission facilities as scheduled lines, in a manner consistent with the information/descriptions provided to the S&P Working Group on October 18, 2006 and presented to the BIC on November 8, 2006.
