Final invoicing of October 2002 is scheduled for the November 7, 2003 invoice. An additional true-up of October 2002 had been scheduled for July 8, 2003 to accommodate the 12-month final bill web-based reconciliation deliverable, due to be implemented on or about April 30, 2003. That deliverable has been pushed out to June. As a result, the October & November 2002 will be true-up in the August 7, 2003 invoice.
