

Business Issues Committee  
November 5, 2003  
Agenda # 9

Motion:

The Business Issues Committee, having reviewed the proposed changes to allow adjustments to the number of Existing Transmission Capacity for Native Load (ETCNL) and Residual Capacity Revenue Rights (RCRR) sold by the NYISO in order to reduce the level of Day-Ahead Market TCC Shortfalls, as presented at the Market Structures Working Group (MSWG) meeting on September 30, 2003 and discussed further at the MSWG meeting on October 31, 2003, hereby recommends that the Management Committee approve, for a Section 205 filing, tariff changes consistent with the proposal.
