January 4, 2006 Meeting

Motion - Agenda #09A

---

### Motion:

The Business Issues Committee recommends that the Management Committee approve revisions to the NYISO tariffs, as presented to the Business Issues Committee on January 4, 2006, to:

- (i) exempt settlements calculated pursuant to Sections 2.4 and 2.5 of Attachment N of the NYISO OATT from the settlement correction provisions of the NYISO tariffs; and
- (ii) establish that such settlements shall be corrected and finalized as later approved or directed by the Federal Energy Regulatory Commission.
