

NYISO Management Committee Meeting

January 5, 2005

NYS Nurses Association

MOTIONS FROM THE MEETING

Motion #1:

Motion to approve the Minutes from the December 2, 2004 MC meeting.

(Motion passed unanimously by show of hands)

Motion #2:

The Management Committee ("MC") approves the implementation of a "generic" Scheduled Line scheduling solution, and a Cross-Sound Scheduled Line specific scheduling solution, as more fully discussed in the January 5th presentation to the Management Committee, and recommends that the Board concur and authorize a filing to be made pursuant to Section 205 of the Federal Power Act. The MC further requests that the NYISO circulate specific tariff language to all market participants for review and approval by the Chairs and Vice Chairs of the MC and the BIC, with the advice of the members of the MSWG, prior to filing with FERC.

(Motion passed unanimously by show of hands with abstentions)

Motion #3:

The Management Committee ("MC") recommends that the NYISO proceed with the purchase of "Building A" as outlined in the presentation at the January 5, 2005 meeting in order to:

- Relocate the Alternate Control Center in a facility that meets the current siting and security guidelines and can manage electric system and market operations for an extended period of time.
- Consolidate the majority of NYISO staff and supporting contractors in one facility; and
- Accommodate training sessions and Market Participant meetings.

The Management Committee also recommends that the NYISO Board of Directors incorporate in the Executive's Long Term Incentive Plan meeting the budget targets for the years 2005 to 2008.

(Motion passed unanimously by show of hands with abstentions)

Motion #4a:

Motion challenging the procedural ruling of the Chair to permit a vote on unfriendly changes to the original motion on the grounds that the changes were not germane to the issue noticed for action, and therefore do not provide sufficient notice in accordance with the requirements of the bylaws.

(Motion failed with 51.18% affirmative votes.)

Motion #4b:

Motion to include modified tariff language as follows:

- II. Notwithstanding the above any supplier to the NYISO market including but not limited to divested in city generation may request that it not participate in retail sales.

to the NYISO's tariff proposal.

(Motion failed with 17.92% affirmative votes.)

Motion #4:

The Management Committee ("MC") approves the NYISO proposal, as presented and discussed today, January 5, 2005, to address the NYISO's legal obligations under the New York State sales tax laws and requests that the Board authorize a filing to the FERC pursuant to Section 205 of the Federal Power Act in substantially the form attached. The MC also requests that the NYISO include on the agenda of the January 21, 2005 Scheduling and Pricing Working Group a proposal developed by Market Participants with the assistance of the NYISO to address concerns about the possible imposition of Gross Receipts Taxes ("GRTs") arising from sales to customers and in response to final input from Market Participants will develop tariff language to address these concerns for action at a February, 2005 meeting of the Management Committee. A vote on this motion in no way prejudices any party's position with respect to the resolution of the GRT issue. The tariff that is the subject of this motion is not contemplated to change Suppliers' obligations under Section 8.4, and the tariff amendments will be modified to reflect this intent and presented to the MC for approval.

(Motion passed by majority show of hands with abstentions)
