ER16-120-000	FERC notice granting extension of compliance filing submission deadline re: Reliability Must Run Agreements On 5/15/15, NYISO filed a Motion for Extension of Compliance Filing Deadline and for Expedited Action, to extend the 6/19/15 deadline for submitting its compliance filing in the above-referenced docket by 120 days, or no later than 10/19/15.	FERC issued an order on April 21, 2016 partially accepting rejecting certain aspects of the NYISO filing and required an additional compliance filing due June 20. On May 19, 2016, the NYISO filed a motion for extension of compliance deadline to file additional tariff revisions.	The NYISO is working to address the items identified in FERC's order.
ER16-835-000	On 1/29/16, NYISO filed on behalf of NYPA, proposed revisions to the NYISO OATT concerning a transmission formula rate template and implementation protocols to recover NYPA's costs for transmission services provided under the NYISO OATT. NYPA also requested acceptance of a new Rate Schedule 15 to the NYISO OATT that will enable it to recover its project-specific annual transmission revenue requirement associated with the Marcy-South Series Compensation Project ("MSSCP").	On 03/31/2016, FERC issued an order that accepted NYPA's proposed formula rate and protocols to OATT Attachment H for filing, to be effective April 1, 2016, as requested, and set them for hearing and settlement judge procedures. The order also granted NYPA's transmission rate incentive and Rate Schedule 15 that establishes the cost allocation for the MSSCP.	N/A
