Re: Appeal of the Management Committee Decision Not Approve Con Edison's Motion to Eliminate the Six Capability Period Minimum Duration for Buyer-Side Mitigation in the New York City Capacity Market

Dear Chair Antion:

On September 9, 2010, the Indicated NYTOs filed an appeal with respect to the Management Committee's approval on August 25, 2010 of revisions to the NYISO tariff provisions for buyer-side mitigation in the New York City capacity market, and requested an opportunity to present an oral argument to the NYISO Board on their appeal. Given that no other party has requested oral argument on issues related to the described action by the Management Committee, the Indicated NYTOs hereby withdraw their request for oral argument.

Sincerely,

Paul L. Gioia
Counsel to the Indicated NYTOs
