

Motion for BIC Meeting on April 2, 2003  
Consolidated Edison Co. of New York

Motion for Agenda Item # 8 – Revised April 1st

The Business Issues Committee (BIC) hereby requests that the Management Committee approve revisions to the appropriate sections of the NYISO tariff necessary to conform it to the presentation made at the April 2, 2003 BIC meeting. These revisions clarify the applicable rules under the Demand Curve when the results of the Spot Market Auction do not meet the NYCA Minimum Installed Capacity Requirements or its Locational Minimum Installed Requirements, and when there are Installed Capacity Supplier shortfalls.
