

PRLWG Meeting

December 12, 2005

- **Registration Update**
 - Participation in the EDRP and SCR programs were down slightly
- **Status of DR in Ancillary Services effort**
 - The NYISO continues to work on the proposed Market design and will provide a NYISO resource analysis at the next PRLWG in January '06
- **Analysis of July 27, 2005 EDRP/SCR event**
 - The event performance indicates the response was below historical and registered levels
 - The NYISO reviewed the reasons for the change in response
 - As a result the NYISO will be proposing various changes to the SCR program
- **2005 NYISO Demand Response Program Evaluation**
 - Total NYISO payments were \$986K (DADRP,EDRP,SCR)
 - Estimated Benefits were \$1,970K
