“NYISO Comprehensive Planning Process for Reliability Needs”

Draft Report - February 26, 2004

1.) Section 6.2 "Regulated Responses"

The obligation to be assumed by the TOs should be limited to transmission solutions only.

Sections 6.2.1 and 6.2.2 should be removed.

2.) Section 7.2 "Regulated Responses"

In paragraph 7.2.1 the phrase "considering all feasible alternatives" should be removed.
