

Business Issues Committee

December 6, 2006 Meeting

Motion - Agenda # 06

Motion:

The Business Issues Committee (BIC) hereby ~~approves~~ recommends that the Management Committee (MC) approve amendments to the NYISO's Open Access Transmission Tariff Rate Schedule 2, as presented to the Market Structures Working Group on December 1, 2006 and to the BIC on December 6, 2006, to remove requirements to make outdated language relating to payments for Voltage Support Service provided by Non-Utility Generators ~~operating under existing power purchase agreements being made to~~ the entity purchasing Capacity and/or Energy power under such agreements. The NYISO will continue to make VSS payments to entities that are the Financially Responsible Party for the Non-Utility Generators.
