Revision to NYISO EDRP Manual

Dave,

As we have discussed, I would like to propose adding the following text (in **Bold**) to the list of exemptions to the 10 day look back period (on page 18):

- A.1.b.1 Eliminate any holidays as specified by the NYISO.
- A.1.b.2 Eliminate any days where the NYISO declared an EDRP event for which the participant was eligible for payment for a curtailment.
- A.1.b.3 Eliminate any days in which the participant's DADRP curtailment bid was accepted in the DAM, whether or not the participant actually curtailed.
- A.1.b.4 Eliminate any days where the TO declared a local Critical Day event and the customer was called to shed load in a TO's local load shed program.**

Please let me know when you reschedule the Price Responsive Load Working Group meeting (originally scheduled for April 24<sup>th</sup>). I would really appreciate the chance to present our case for including this revision in the procedure before this summer.

Thank you.  
Paul
