The following information is required by the NYISO OATT Attachment Y (Section 31.4.5.)

1. Please provide a description of the project, including type, size, and geographic and electrical location, as well as planning and engineering specifications and drawings as appropriate.

2. Please provide the lead time necessary to complete the project, including, if available, the construction windows in which the Developer can perform construction and what, if any, outages may be required during these periods.

3. Please provide evidence of a commercially viable technology.

4. Please provide a major milestone schedule.

5. Please provide the schedule for obtaining any required permits and other certifications.

6. Please provide status of ISO interconnection studies, and interconnection agreement if applicable.

7. Please provide a demonstration of Site Control, or a schedule for obtaining such control.

8. Please provide status of equipment availability and procurement.

9. Please provide the status of any contracts (other than an Interconnection Agreement) that are under negotiation or in place.

10. Please provide evidence of financing or ability to finance the project.

The following excerpts from the Tariff describe the information which can indicate the status of contracts, status of required permits, and evidence of financing:

A Developer shall submit the following information to indicate the status of any contracts: (i) copies of all final contracts the ISO determines are relevant to its consideration, or (ii) where one or more contracts are pending, a timeline on the status of discussions and negotiations with the relevant documents and when the negotiations are expected to be completed. The final contracts shall be submitted to the ISO when available. The ISO shall treat on a confidential basis in accordance with the requirements of its Code of Conduct in Attachment F of the ISO OATT any contract that is submitted to the ISO and is designated by the Developer as “Confidential Information.”

A Developer shall submit the following information to indicate the status of any required permits: (i) copies of all final permits received that the ISO determines are relevant to its consideration, or (ii) where one or more permits are pending, the completed permit application(s) with information on what additional actions must be taken to meet the permit requirements and a timeline providing the expected timing for finalization and receipt of the final permit(s). The final permits shall be submitted to the ISO when available.

A Developer shall submit the following information, as appropriate, to indicate evidence of financing by it or any Affiliate upon which it is relying for financing: (i) copies of all loan commitment letter(s) and signed financing contract(s), or (ii) where such financing is pending, the status of the application for any relevant financing, including a timeline providing the status of discussions and negotiations of relevant documents and when the negotiations are expected to be completed. The final contracts shall be submitted to the ISO when available.
