No Awards resulted from the auction because the auction did not clear*.

* No TCCs were awarded in the August 2002 TCC Reconfiguration Auction. Therefore, there are no Awards to post.

The NYISO's auction systems worked properly in the August Reconfiguration Auction, and properly reflected the transmission facility outages expected during the Effective Period. See, NYISO OATT, Attachment M, Section 8.6. The Optimal Power Flow analysis did not reach a simultaneously feasible result to award any TCCs based on available offers and bids.
